Advent Calendar

Although Advent Calendars can be bought, I found these lovely homemade ideas.

And why not include some family activities?

Write a list of your ideas and then pick your favourites.

Things your family love to do, but don't always have time to do it together.

You can either choose 24 – one for each day.

Or maybe one activity for every 2nd or 3rd day.

Check your calendar for December and work out how each of the activities will fit in with your schedule.

Plan the more complex activities for weekend afternoons or other big blocks of time and save the simple ones for evenings.

Keep an extra special family activity for Christmas Eve.

Here are a few activity suggestions:

- Paint everyone's toenails
- Have hot chocolate/milkshakes with all the fixings
- Rent a DVD and watch it all together with popcorn
- Give everyone crazy hairstyles
- Backyard cricket
- Swimming pool games
- Have an indoor picnic
- Have breakfast for dinner (pancakes?)
- Pack a picnic dinner and have it at a park
- Fancy dress for dinner time
- Everyone play a game together on the computer
- Make handmade gift tags for relatives
- Fish and Chips for dinner around pool
- Dance like crazy to music
- Go out for ice cream
- Make paper snowflakes and decorate the windows
- Make a paper chain for the tree
- Make Christmas cards for family and friends
- Go ice skating / ten pin bowling / putt putt
- Bake a batch of Christmas cookies
- Make a list of ten things you are thankful for. Hang it where you can see it every day
- Breakfast in bed!
- Choose an e-card for friends & family to send
- Let the kids decide what meat they want for a barbecue
- Let them each choose their favourite sweet and have it together one night

Paper Cup Advent Calendar

Take a piece of styrofoam / polystyrene and mount 24 paper cups on it with pins through the cups' bottoms.

Use either cotton wool or tissue paper (I used silver), tear off small squares, scrunch it up and press just inside the cup. Add sweets and of course, the activity for that day.

Envelope Advent Calendar

Take 24 envelopes, write the day on the front and add the activity inside.

Or you can use typing paper folded in squares.

Table Decorating

(Above) Layer your table with your favourite tablecloth & overlay. Place any mirror (even with a frame) flat on the table. Tie your guests' favourite magazines with a ribbon as a gift.

(Below) Cherry tomatoes & fresh fennel transform an ordinary white plate. Tie the napkins with green raffia and add roses in whisky glasses.

Ribbon ceiling

Transform your dining table.

Decide on the lengths and amount of organza ribbon you want to hang from the ceiling.

Paste with craft glue little flowers, hearts, balls, butterflies, etc on it. (You'll find them at scrapbook shops.)

When the glue is dry, attach the ribbons to the ceiling with double-sided tape.

Your dining table will be a delight.

Watch how the ribbons sway in the breeze.

Kindness is the language
which the deaf can hear and
the blind can see.

~Mark Twain

Today, give a stranger one of your
smiles. It might be the only sunshine
he sees all day.

~Quoted in *P.S. I Love You*, compiled by H. Jackson Brown, Jr.

Too often we underestimate the
power of a touch, a smile, a kind
word, a listening ear, an honest
compliment or the smallest act of
caring, all of which have the potential
to turn a life around.

~ Leo Buscaglia
